

A blooming success for Winton's 43rd Spring Flower Show

What a show! Oh my gosh... what a wonderful show! Our 43rd Winton Garden Club Spring Flower Show was a huge success, and we couldn't be more grateful to everyone who helped make it so special.

A heartfelt thank you to all the growers and exhibitors who shared their beautiful spring flowers with trying weather events leading into show week. For the floral art, along with the exceptional entries from our preschoolers, kindergartens and local school. Together, you created a truly stunning display throughout the Memorial Hall.

A special thank you to our wonderful judges. With the quality and quantity of entries this year, it certainly wasn't an easy job! We are incredibly grateful for the continued support of our sponsors: Winton Mitre 10, Winton New World, Janice McKerchar - Property Brokers Winton, csdesignz, McMahon Design Studio, Andrews Electrical and our wonderful volunteer Fire Brigade for continued support setting up and packing down show tables and vases. Your support means so much to our club.

The Winton Floral Art Group and Jeff Andrews Wood and Metal sculptures also put on an amazing display which was enjoyed by so many.

And finally, a huge thank you to our Garden Club members and support crew for months of preparation, setting up, helping throughout the show and packing everything away afterwards - you are incredible. We are very privileged to have such a wonderful group of supportive volunteers.

Thank you to everyone who entered, visited, supported and helped make our 43rd Spring Flower Show such a memorable event.

For more photos and the full flower show results, visit <https://www.facebook.com/groups/1126488825606562>

Colleen Simpson, Winton Garden Club President

From paddock to families: Lions making a difference

Since 2021, the Lions Club from Winton have packed and distributed fresh produce to families throughout Southland and Age Concern in Invercargill.

When one club member stopped at the Wilson Veggies store on State Highway 6 between Invercargill and Winton early September to get some fresh leeks, it was closed for the season, while the paddocks still contained edible vegetables. What was now used for cattle feed.

Seeing the opportunity, Winton Lions talked to the owners of the veggie store, David and Kathy Wilson. Now, the Lions harvest the vegetables, and pack and distribute food to food banks and via local support persons. After Covid-19, the Winton Lions Club started with 50 households, reaching out to Lumsden, Tuatapere, Otautau, Winton and Age Concern in Invercargill.

The veggie project has grown over the years. What started with 6-8 volunteers, and packing bags in a garage, has become a 202F LIONS (Southland) PROJECT.

On Saturday 5 September, 45 Lions members came together to dig, pack and distribute 190 bags of veggies, for three organisations in Invercargill, local food banks and local schools through Southland, reaching out to more than 600 families experiencing hardship.

This is made possible through the generosity of David and Kathy Wilson of Wilson's Vegetables and Sinclair Transport, where we use the covered shed to pack the veggie parcels.

Participating Lions clubs include Mossburn, Lumsden, Ohai-Nightcaps, Riverton, Waihopai City, Waikiwi, Wyndham, Wyndham Pioneers and Winton Lions Club.

Together, they demonstrate what can be achieved when local businesses, volunteers and community organisations work towards a shared goal.

Where is a need there is a LION. If you would like to help and be a part of the community, email winton-veggie-project@lionsclubs.org.nz or winton.secretary@lionsclubs.org.nz or contact your local Lions club. It is all for a good cause.

Country Fair coming to Limehills School: Saturday 17 October

Limehills School is opening its gates to the whole community for a brand-new Country Fair on Saturday 17 October, with a packed afternoon of family entertainment planned from 11am to 3pm.

Set in the school's beautiful grounds, the fair is a chance for families throughout Southland to enjoy a relaxed country day out, with plenty to keep children entertained and adults browsing the many stalls and market offerings.

Activities include pony rides, a petting zoo, mini jeeps, a big dig, bouncy castles, a horse and cart, games, air rifles, a chocolate wheel and much more.

There will also be a range of food vans, stalls, second-hand goods and market stalls.

Entertainment throughout the day will add to the atmosphere, with plenty happening to keep the whole family entertained.

Best of all, entry to the fair is free, making it an easy option for a family outing. Tickets will be available to purchase for the various activities on offer.

The Country Fair is a first for Limehills School and is being held to raise funds to support the school's teacher aides, who play an important role in supporting all of the school's students. It is also a great opportunity for the school to bring families and the wider community together for a fun day out.

Limehills School pupils with some Beeswax wraps they will have for sale at the Classic Country Fair.

The school has been thrilled with the support of the local business community coming on board as sponsors, particularly gold sponsors - Wash Rite, Hodson Drainage and Flight Centre Invercargill.

Limehills School principal Tina Hogan says she hopes the fair will attract families from throughout the region for a classic country fair experience.

The Country Fair is shaping up to be a great day out for the whole family, with plenty to see, do and enjoy.

Come along, explore the stalls, have a go at the activities, grab something to eat and enjoy the atmosphere in the beautiful Limehills School grounds.

STREET TALK DEFENSIVE DRIVING

This 4-session Defensive Driving course helps Restricted licence holders identify, avoid and safely handle potential driving hazards.

Participants must hold a current Restricted licence and attend all four sessions.

Contact Southern REAP (Rural Education) to register on info@reap.co.nz or call 0800 111 117

Back-to-back titles for Winton Football Club

It has been a fantastic season for the Winton Football Club, with the Senior Men finishing the season as Southland Premier League champions for the second year running.

In the final game of the season, Winton lifted the Donald Gray Cup for the second consecutive year, along with the Larry O'Rourke Challenge Cup. This is the first time Winton has finished the season holding onto the Larry O'Rourke Cup, meaning the club's name is now proudly engraved on the trophy.

The Senior Men also claimed the Pre-Season Trophy for the second year running and, in August, won the Senior Men's Charity Cup, defeating Queen's Park 6-1 in a convincing result.

This season has been a particularly competitive one, with much closer games across the senior men's competition and every team being challenged throughout the season. Winton is therefore delighted to finish with all four Senior Men's trophies.

The club also fielded a Men's Division 2 team, with around 50 men playing across the two senior men's teams. Alongside this, Winton Football Club had a Women's Team and five Junior Teams competing throughout the season.

Summer football kicks off at Moores Reserve on Thursday 15 October and runs through until 4 December. To enquire or register a team, email 5aside.wintonfootball@gmail.com.

Central Southland Hub building strong community connections

The Central Southland Hub is making progress towards developing a stronger network of community spaces supporting sport, recreation and the arts across the district.

Central Southland Hub board chair Colin Smith said the hub aims to encourage conversations about how sports and community groups can work together to meet the changing needs of local people.

“The hub encourages people to think about our network of community spaces and how they can be better used and managed into the future,” Mr Smith said. “By working together, groups and organisations can make better use of available resources, reduce unnecessary duplication and focus more time on creating positive experiences for the local community.

“We also want local people to get in touch and to share their thoughts and ideas. This is about being open to new ways of better utilising and managing community spaces across Central Southland.”

The hub board meets regularly and is currently working on several initiatives to connect with the community and encourage participation.

“This includes having an information tent at the Winton Open Day on November 14, organising a ‘Have a Go’ day for local primary school students, and promoting education and training at the newly developed Winton School pump track.

Central Southland Hub board chair Colin Smith, looking forward to the future with Central Southland College board representatives Jamie Lyall and Jorjia Marshall.

These initiatives are part of the hub’s broader focus on supporting participation and maximising the community facilities across Central Southland.

We want to see our community spaces being used well, supporting participation and creating opportunities for people of all ages to get involved in sport, recreation and the arts,” Mr Smith said.

The hub's board will hold its annual general meeting in Winton on November 3, at 6pm at the Central Southland College library, and everyone is welcome.

Mr Smith said the board was also looking for another member - anyone interested in finding out more could contact him on 027 228 7281.

Looking for that special Christmas gift?

We have these steam related wall-mounted clocks. The infill can be painted to the colour of your choice, the face is 460mm, and the maker's name is reproduced in fibreglass. Proudly Winton made.

Winton Police: Road safety, crime prevention and summer preparations

In a very strange twist of fate, I had just finished reading an email warning Police to prepare for a hot and windy summer due to a super El Niño event. Someone clearly forgot to pass that message on to Mother Nature, as we continue to be hammered by freezing temperatures, flooding, snow, and sodden ground.

While I joke about it, my thoughts are with the farmers and their staff who are working in atrocious conditions to keep spring stock alive and maintain feed supplies.

As the son of a farmer, I know that in a couple of months I'll probably be complaining that it is too hot and too dry.

The reality is that emergency response managers have been asked to prepare for a very hot and windy summer. With that comes an increased risk of wildfires, heat-related illnesses, and a rise in drowning incidents associated with recreational water activities, similar to what parts of Europe experienced during their summer. It feels like a world away given the weather we are experiencing in September, but preparation is key.

I'll cover some hot-weather safety and prevention tips later in the year when summer finally decides to arrive.

Our local staff have been busy conducting a road policing operation over recent weeks, and you may have noticed more officers out and about stopping vehicles.

Our focus remains on speed, seatbelts, and driver distraction, as these three factors contribute to the majority of fatal crashes.

One issue that continues to surface is the use of mobile phones while driving. If recent enforcement action is anything to go by, there are still plenty of people taking the risk.

Using a mobile phone while driving carries a \$150 infringement fee and 20 demerit points. Please pull over safely if you need to check your phone, or better still, put it away and focus on the road.

There has also been plenty of activity on the crime front.

Recently, two utes were stolen from Winton and used for joyriding, with one deliberately driven into the Ōreti River. These offences were entirely opportunistic, with offenders taking advantage of unlocked vehicles and keys left inside.

The good news is that these types of thefts are easily preventable. Parking vehicles off the street where possible, removing keys, and locking doors can make all the difference.

If anyone has information about those responsible, I would be keen to hear from you. We have achieved a strong apprehension rate this year, and I am keen to steer these young cherubs back in the right direction before they graduate to bigger and more serious offending.

I recently met with the Winton Business Association and thanked members for their ongoing support of our crime prevention camera programme. They were able to get a firsthand look at the 16 new cameras now operating throughout the town.

We are fortunate to have a fantastic group of local retailers and business owners who consistently put community safety first. Well done to everyone involved.

Until next time, stay safe.

Senior Sergeant Peter Graham
Western Southland Response Manager

Ōreti Community Board update: what's happening across the ward

There is no sugar coating it. This has been an awful spring for many in our rural community.

Thank you to everyone who has kept supporting local groups and events and helping one another through a difficult season.

There has been discussion in Winton about streetlights being out and how long repairs take. Council has been asked to review streetlight fault information from the past year so we can better understand any patterns.

As part of a national approach, responsibility for maintaining streetlights on state highways has recently been taken back from local authorities.

When reporting a fault, it is helpful to identify whether the light is on a state highway or a local road. If three or more lights are out in a row, the problem may be with the power supply and could involve PowerNet. Council is reviewing the available information.

Work is under way at the RSA, with completion expected in early November.

The Winton walking track between Moores Road and the Browns-Hedgehope Highway is being replanted in the next few weeks.

I enjoyed attending the Winton Garden Club's Spring Flower Show. It was a wonderful display and a busy event. Congratulations to the committee and everyone who contributed their time and talents to make it such a success.

Work is also progressing on the Winton and Wallacetown Community Spatial Plan. It was great to see so many people at the community consultation sessions. The feedback is helping shape the plan and guide future decisions about growth, recreation, transport and the facilities our town's need.

Our next board meeting is on the 19th October at the Limehills Community Centre at 5:30pm. Thank you to everyone who continues to volunteer, share ideas and support community life across Ōreti Ward.

Margie Ruddenklau Ōreti Community Board Chair

Southern Cancer Society Daffodil Day: Thank you for your support

A huge thank you to the people of Central Southland and beyond for your generous support of the Southern Cancer Society Daffodil Day.

Special thanks to the businesses and individuals who supported the quiz night, ordered daffodils, displayed counter boxes, donated prizes for the raffle and made cash donations on Daffodil Day.

The involvement and support of the local preschools - Winton Kindergarten, Blue Duck and Weka has been outstanding. Thanks to the teachers and parents. Thanks to the students from the Central Southland College Volunteer Army for your initiative in holding a BBQ fundraiser. It was wonderful to have you involved this year.

We have a loyal group of local people who year after year volunteer to organise and collect donations from the four street sites in Winton. Your support is truly appreciated.

The efforts of this community play a vital role in helping to raise funds that support people affected by cancer in our local region.

The Southland Cancer Society Team, based at 149 Spey St Invercargill provides:

- One-on-one support from navigators.
- Guidance to help people understand hospital and agency support.
- Help to connect with accommodation, counselling and service contacts, support groups and assistance with travel.

Congratulations to the prize-winners in the Daffodil Day raffle:

The Langlands \$200 Voucher (Kindly donated by the Olivia Collective Team Ray White Real Estate) Winner: Anna King
 Uppercuts Butchery \$100 Voucher: Diane Andrews
