

## Winton Open Day and parade: a fantastic day out for the whole family

Winton is gearing up for Winton Open Day - a fantastic family day set to include a Santa Parade down the main street and plenty of entertainment, activities and shopping to enjoy.

On Saturday 14 November the streets will come alive with music, displays and demonstrations. See our local emergency services in action, take the kids for a spin in the mini jeeps, enjoy the bouncy castle and clown, or get up close with the animals at the petting zoo.

There will also be food stalls, a speciality market in the hall, and plenty to see, including a digger driving competition and displays of cars, machinery and trucks in the Oval carpark.

The little ones can also enjoy the Teddy Bears Picnic at Weka Pre-School on Park Street.

There's something for everyone, so bring the family along and enjoy all that Winton has to offer!

Festivities kick off at 10am, with the Parade at 2.30pm.

## Christmas Walk workshop: Calling all creative Christmas helpers

A group of community volunteers is creating an enchanting Elves and Fairies Christmas Walk through the Ivy Russell Reserve, and they need your help to kick it off.

Come along to a creative workshop to build and decorate fairy doors, elf homes, and festive entryways that will be featured along the trail.

- **When:** Sunday, 8 November, 1pm to 4pm
- **Where:** WEKA/OSCAR Hall (237 Great North Road, Winton)
- **Entry:** Gold coin koha/donation (All families and children welcome!)

Basic door templates are provided, but please bring your own nature treasures, like moss, twigs, seed pods, pebbles, feathers, or pinecones, to add that special woodland sparkle.

Weave some Christmas magic into our local reserve!

For more information or to lend a hand, keep an eye on the Winton Community Facebook page or phone Karen 0276228280.

## Winton Lions: Making a positive difference in Southland

### 'Cuddle Hearts' arrive in Southland

A new project, Cuddle Hearts, is launching in Southland this month, following several successful years in Canterbury.

The initiative began with Lisa Paget, who started making soft cotton hearts for neonatal intensive care units (NICUs). The idea is based on the importance of a mother's familiar scent in helping to comfort her new born baby.

Smell is one of the earliest senses to develop and, after birth, a mother's familiar scent can help her baby feel safe and secure.

As Christie Lawrence, clinical nurse specialist and assistant professor in the Department of Women, Children and Family Nursing at RU, explains, a mother's familiar scent can help ease an infant's stress and discomfort.

Lion Glenda Burford took the lead in fundraising and organising local Lions members to help get the project underway in Southland. Members came together to iron 800 donated Cuddle Hearts from Selwyn Lions Club, giving the new initiative a wonderful head start.

The following day, Glenda delivered 75 packets of Cuddle Hearts to the Neonatal Unit at Kew Hospital. This is all made possible with the generous donation from Health Down South from Invercargill and Meals on Wheels (Invercargill).

This thoughtful initiative is a lovely example of Lions working together to bring comfort and care to families when they need it most.

### Winton Lions host 60th IHC Golf Tournament

Next week, Winton Lions Club will host the 60th IHC Golf Tournament at Winton Golf Course on Sunday, 8 November 2026.

Teams of four are invited to take part, with tee-off times available between 11.30am and 12.30pm.

There will be food available throughout the day, including from our famous Lions BBQ truck. IHC Invercargill will also prepare a delicious supper to round off the event. Whether you're playing for fun, enjoying a day out with friends or supporting a great cause, it's a wonderful opportunity to get involved and support the community.

To register your team, email [winton.secretary@lionsclubs.org.nz](mailto:winton.secretary@lionsclubs.org.nz). You can also register on the day. Gather your team, dust off your golf clubs and join us for a great day of golf

### Toot 4 Tucker returns to Winton

On 3 December 2026, Winton Lions Club will once again hold its annual Toot 4 Tucker collection.

Working alongside the Winton Fire Brigade, Winton St John Ambulance, Police and other Winton community groups, volunteers will travel through the town, sounding their horns as they go, to collect donations of non-perishable food and toiletries for our local food bank. All participating groups will depart from Winton Fire Brigade Station at 7pm, before finishing at the Memorial Hall.

Toot 4 Tucker is a fantastic way for our community to come together and support local individuals and families who may be doing it tough. Every donation, no matter how small, can make a real difference.

Keep an ear out for the Toot 4 Tucker team on 3 December, and have your donations ready, at your mailbox or driveway, to help support those in need this Christmas.

Together, we can make a difference in our community!

## Winton Ladies Pink Luncheon raises thousands for breast cancer

The 15th Ladies Pink Luncheon fundraiser for NZ Breast Cancer Foundation was another successful event held by the Winton Business Association, raising \$6,000.

Rachel Anderson-Evans from Winton's Southern Lights Crossfit Gym spoke on her rollercoaster journey moving from Sydney to Winton with her young boys.

Ninety-one ladies enjoyed a buffet lunch at the Top Pub Garden Bar, with raffles and an auction; both big parts of the fundraiser. Prizes and gifts were donated by many local Winton businesses which meant a huge amount was raised.

We thank all our sponsors and Winton businesses for being so generous. We are very lucky to have the local support in our community.

## Limehills School Classic Country Fair proves a hit for all ages

Hundreds of Southlanders came through the gates at Limehills School last month to enjoy a Classic Country Fair packed with entertainment, activities and plenty of fun for the whole family.

From mini jeeps, pony rides and horse and cart rides to a chocolate wheel, silent disco, bouncy castles, market stalls and food trucks, there was something for everyone to enjoy.

The beautiful Southland weather made it even better, with people of all ages coming together for a fantastic day out.

The fair raised more than \$25,000 - vital funds that will support the school's invaluable teacher aides, who play an important role in helping students learn and thrive.

Limehills School would like to extend a huge thank you to the many local businesses that got behind the event. A special thanks goes to gold sponsors, Wash Rite, Flight Centre Invercargill, Hodson Drainage and DJ Kelly; and silver sponsors, Mainland Mechanical, The Gofer, Copeland McAllister Law, GWD Motor Group, McDowall Transport, AB Lime and Fonterra.

The school is also incredibly grateful to all the other businesses that supported the fair through donations. Your generosity and support helped make the day a success and are greatly appreciated by the school community.

## Winton on Demand: bringing television to life

The stage at Central Southland College came alive on Thursday, October 22nd, as Winton School presented Winton On Demand - a vibrant, whole-school production that captivated a sold-out audience of 500 people.

The story hit close to home for many families: three siblings engaged in a classic battle for control over the TV remote.

The narrative followed the oldest sibling, who continuously missed out on choosing a programme as family members, friends, the school principal, and even the school mascot repeatedly took over the screen. Each channel swap transformed the stage to showcase a themed class performance.

Students brought iconic shows to life with energy and creativity, featuring favourites such as Suzie's World, Bluey, Fraggie Rock, the Nature Channel, Weather Channel, Country Calendar, Shortland Street,

Junior Master Chef, Michael McIntyre's Big Show, The 1% Club and Britain's Got Talent.

Behind the scenes, a production committee worked for weeks managing extensive logistics, while students and staff poured countless hours into refining their acts. When showtime arrived, the children truly shone - delivering engaging, and unforgettable performances.

Feedback following the event was overwhelmingly positive, celebrating the effort, creativity and talent on display.

Winton On Demand was a deeply rewarding experience that showcased the spirit of the Winton school community. The committee extends a heartfelt thank you to Central Southland College for the use of their hall, the techie team, the production crew, everyone who supported the event, and of course, all the students and staff whose hard work made the show a roaring success!

## Dance for diabetes: a disco to support Diabetes NZ Southland Youth

Come along for a fun-filled evening of music, dancing and laughter while supporting Diabetes NZ Southland Youth. Featuring DJ Kelly spinning the tunes and keeping the dance floor pumping!

- Friday 20th November 2026
- 6:00pm – 7:30pm
- Winton Salvation Army Hall
- Gold coin donation for entry
- Crazy socks, funky hats, bright outfits or your favourite costume! Come dressed up or just as you are!

Everyone is welcome. Parents and caregivers must remain on site and supervise their children. [Click here](#) to register or visit Diabetes NZ Southland Youth on Facebook. Bring your dancing shoes, grab your family and friends, and join DJ Kelly for a fantastic evening supporting our Type 1 diabetes community!

## Winton Police: Road safety, new road rules and getting summer ready

September and October are traditionally quieter months for Winton Police, with many in our rural communities focused on lambing and calving. However, a couple of weeks of sunshine have made a significant difference, and activity across the agricultural sector has ramped up quickly.

Contractors have been busy trying to get late crops in the ground and complete the first cut of grass off. The delayed start to the season has created a bottleneck, resulting in long working hours and increased numbers of agricultural vehicles on our roads. While we understand the pressure to get the work done, we encourage everyone to do so safely.

We have already received reports of tractors holding up long lines of traffic and have observed some contractors working extended hours to catch up. A tractor travelling at 50 km/h can quickly create a safety risk when traffic builds up behind it. Drivers of slow-moving vehicles should take every reasonable opportunity to allow traffic to pass safely. Police will be monitoring this closely and will take action where there are blatant breaches that place other road users at risk.

Road safety continues to be a key focus for Winton Police. Our enforcement efforts around seatbelt compliance, cellphone use while driving, and speeding will continue throughout the summer months. These remain some of the most common factors contributing to serious crashes on our roads.

Motorists may also have noticed several new road rule changes introduced recently, including:

- Children under 12 years of age are now permitted to ride bicycles on footpaths.
- Drivers must maintain a minimum passing distance of 1.5 metres when overtaking vulnerable road users such as cyclists.
- E-scooters are now permitted to use cycle lanes.
- Drivers must give way to buses re-entering traffic from a bus stop.

Please familiarise yourself with these changes and be mindful of all road users.

The Winton Open Day will be held on Saturday, 14 November, and Winton Police will once again be part of the event. We will be located in our usual spot with a range of displays, including members of the Armed Offenders Squad and Police Dog Whetū. Local staff will be available throughout the day to answer questions and discuss any concerns affecting our community.

If you have ever considered a career with New Zealand Police, come and have a chat with us. We are always looking for good Southland locals with common sense, strong values, and a desire to make a positive difference in their communities. Make sure you bring the family along, support the organisers, and enjoy what promises to be another great community event.

Finally, forecasters continue to warn of a strong El Niño weather pattern this summer. The hot temperatures and strong winds experienced last weekend provided a glimpse of what may be ahead. We have already attended two water rescue incidents this season and, thankfully, both ended safely.

As summer approaches and more people head out on the water, now is the time to check your vessel and safety equipment.

Ensure your lifejackets are in good condition, check the weather forecast before heading out, and always carry at least two reliable forms of communication in case of an emergency.

Stay safe, enjoy the warmer weather, and look after one another.

## Ōreti Community Board: Community news and updates

There is plenty happening around Winton as we head towards the end of the year, with community projects, planting and planning for our town's future keeping us busy.

Dunsdale Reserve has reopened, which is welcome news for locals and visitors as we head towards summer. It is a lovely spot for a picnic, a walk and some time outdoors with family and friends.

### Kōwhai Reach

Kōwhai Reach has been selected as one of just 12 covenants across New Zealand to feature in a documentary celebrating 50 years of the QEII National Trust. There will be a special screening in Southland, alongside a screening at Government House planned for 2027. This is wonderful recognition of this special place and the generations of landowners, Limehills School students, volunteers and partner organisations who have helped protect and restore it. Planting and restoration have continued since 2021. Council support, external funding and many hours of volunteer effort help make this community-led project sustainable.

### RSA Hall

The RSA Hall has undergone renovations and looks amazing. It is great to see this community facility refreshed. Thank you to everyone involved in the improvements.

### Community planting – Sunday 8 November

Join us at 10am at the Moores Road carpark for community planting along the Winton walking track, weather permitting. We have a whopping 400 plants to put in and welcome anyone who would like to be part of this. Thank you to the Mid Ōreti Catchment Group and Lachie McGregor for donating the plants.

### Winton's Spring Flower Show

It was fantastic to experience the Winton Spring Flower Show, held on 24 and 25 September, which attracted a huge turnout and brought a real buzz to town. Congratulations to the committee on a wonderful show, and thank you to everyone who contributed to its success.

### Winton Open Day

The Ōreti Community Board will have a stall at the Winton Open Day on 14 November. Please call in, meet your board members and share your thoughts about our community. Thank you to Blair for coordinating the board's presence. I will be away walking the Milford Track, but I hope many of you take the opportunity to stop for a chat.

Winton and our rural communities have great energy, thanks to our many volunteers who give their time. Thank you all - your efforts make a real difference.

## Lochiel School

### Out of zone enrolments

Applications are invited for out-of-zone enrolments at Lochiel School for the 2027 school year. The Board of Trustees has established two distinct enrolment periods. Please review the specific closing dates and space availabilities below.

#### 2027 enrolment periods and closing dates

- **Enrolment period:** Dec 2026 – Jul 2027
- **Scope/details:** Covers Terms 1 and 2, 2027. Ideal for students starting in the first half of the year.
- **Places:** 10 places
- **Closing date:** Friday, 5 November 2026
- **Enrolment period:** Jul 2027 – Dec 2027
- **Scope/details:** Covers Terms 3 and 4, 2027. General mid-to-late year enrolment window.
- **Places:** 10 places
- **Closing date:** To be advised

IMPT: Do you need to complete an application form?

1. Sibling criteria: Your family was in-zone and has since moved out of our school zone, and you wish to enrol a younger sibling of a current student.
2. Out-of-zone address: Your permanent residential address is NOT within the Lochiel School zone.

Please note: All out-of-zone enrolment applications must meet the criteria of the current OUTZ process. Check our school website or contact the school office for more details.

#### Selection and ballot process

If the number of applications exceeds the number of available places in either enrolment period, students will be selected in accordance with the provisions of the Education and Training Act 2020. If required, a ballot will be held following each closing date. Parents will be informed of the outcome as soon as possible after the ballot is completed.

## Thank you and update from St John Winton Area Committee

The St John Winton Area Committee are extremely grateful to the Winton Senior Citizen Committee for their generous donation gifted to the committee recently. The Winton area has been, and continues to be very generous to St John with donations coming in on a regular basis. The funds received enable us to maintain the Winton Station to a high standard and also support other areas of our organisation like the Junior Cadet program that currently has over 40 juniors taking part.

We are looking into installing solar panels with battery storage on the station so the station is 100% viable in a major storm or power outage.

Rural Contractors Southland donated a generator earlier this year and this will be incorporated into the solar panel system to ensure 100% power sustainability in the event of a power outage.

Without the support of the local community this type of project would not be possible and the great service given by St John in Winton, and the surrounding area would not be possible. Donations are always accepted and appreciated so please get in touch if you are able to help.

*The Winton Area Committee - Katie Catto, Doreen McNaught, Bruce Sanford, Jan Douglas, Debbie Blatch, Lyndal Sinclair, Alastair McLees, Nikita Potter*
