## Registration details & conditions

- Market site areas are the Winton Memorial hall and surrounding outside area.
- 20 stall sites (10x Size 1 and 5 x Size 2 (double)) will be available to stall holders based in the Central Southland Area and new stall holders i.e. those that have not been at our craft and produce market before. *3 of these stall sites will be available for community non-profit groups at a reduced registration fee – Please contact Jane 0273209023.*

The rest of the sites, indoor and outdoor will available to other craft and produce vendors from Southland and Otago.

Note: If belonging to a nationwide selling group for example Tupperware, Prenzel then the local representative would get first preference for the stall registration.

- If we do not have enough stall sites for the registrations received, entries will be organised into groups depending on their stall description i.e. jewellery, baking, knitting, cards etc and sites will be balloted out. Example if we have 6 potato stalls and have only 3 sites for this group, a draw will be done to pick the 3 stall holders accepted.

**It is therefore essential you give an accurate description of what you sell on the registration form and if you wish an indoor or outside site.**

- Registration payments will be banked, and receipts issued. **Notification of acceptance of stall entry will be posted / emailed 5<sup>th</sup> - 6th October 2019.** Any registrations not able to be accepted will have registration payment returned.
